Representative Rixey went to the White House to-day with a delegation of constituents from Alexandria, who invited President Roosevelt to come to that cily on February 22d, to witness the big parade with which they will celebrate the anniversary of the birth of General Washington, as usual. The President was not sure he could attend, but promised to do so if possible.

Vice-President Fairsbanks, who was visited also and invited to attend, said he hoped to be able to do so. Secretary Taft and Secretary Bonaparte promised that a considerable detachment of soldiers and marines should attend and parade. The army detachment will include cavalry, infantry and artillery. The Marine Band and a cavalry band will make music. The celebration this year will equal in every way, it is said, the first celebrations of recent years. It is expected that Governor Swanson and his staff will attend.
